8. Action Items – None

The MAC is composed of appointed community members whose purpose is to advise the Board of Supervisors about activities and problems of the area represented. Residents are encouraged to attend and talk about issues important to them. More info at www.placer.ca.gov/bos/macs. Placer County is committed to ensuring that persons with disabilities are provided the resources to participate fully in public meeting. If you require disability-related modifications or accommodations, including auxiliary aid or services, to attend or participate in this meeting, please contact the Board of Supervisor's Office.

9. Information/Non-Action Item(s):

A. Foresthill Fire Protection District - Measure F: On June 21st the Foresthill Fire Protection District Board approved intended ballot language, and called for an election to be held on September 18, for the purpose of submitting to the voters the question of the adoption of a special fire tax for emergency medical response and fire protection services, to approve an increase in the district's spending limit and to request election services by the Placer County elections department. The assessment increase would be \$240.37 per year, per parcel in the district. This would be in addition to taxes or assessments already in place. Should voters approve the increase to the special assessment, fire district officials report that they would be able to maintain current staffing levels, prevent significant cutbacks and provide the appropriate level of fire protection and emergency medical response services for the Foresthill community. Foresthill Fire Protection District is an independent Special District and not part of Placer County/Board of Supervisors jurisdiction. Fire Services in other parts of the County are provided by other independent Special Districts or CalFire through a contract with Placer County. **Community Member John Michelini will give an overview of Measure F and answer questions. Ballots must be received at County Elections by September 18, 2018.**

10. Next Meeting Date – October 1, 2018
